Aurora Abella-Austriaco
Candidate for State Representative
65th District
310 Busse Hwy, Suite 310
Park Ridge, IL 60068

Dear Aurora Abella-Austriaco:

On behalf of the membership of Indo-American Democratic Organization, we are pleased to announce our strong endorsement of your candidacy. IADO is impressed by your commitment to the issues concerning the Indian American community, the largest Asian American ethnic group in Illinois. For the past 27 years, IADO has been dedicated to empower Indian Americans through grassroots actions. Our members have registered thousands of voters and worked on political campaigns at all state levels.

To advance our concerns and priorities, we are eager to work with you to address critical issues, including equal and fair access to government, immigration reform, access to affordable healthcare, civil rights protection, responsible foreign policy, and quality education.

IADO publicized this endorsement through a press release to the ethnic media outlets, which followed by IADO paid media advertisements in the ethnic press that went out this week. Our endorsements will also be posted on our website. In addition, IADO has purchased a voter file of 55,000 Indian American voters. Please contact us if you are interested in utilizing this invaluable resource.

We ask that you include our organization, the Indo-American Democratic Organization in campaign materials listing endorsements. We look forward to working with you.

Sincerely,

Dr. Ram Gajella

Pramod Shah
